Girls Football

The girls took part in a tournament at Garforth Academy on Monday. The girls played really well in all of their matches showing good team work and fantastic sportsmanship after each game. They came 3rd overall which was amazing as this was the first time they had played together as a team. Well done! Thank you to parents for your support.

What is a Parent Teacher Association (PTA)?

A Parent Teacher Association (PTA), is an organisation of parents and school staff.

In short the PTA role is to encourage closer links between home and school. PTAs are best known for their **fundraising** work, and have a useful social function within the school environment arranging fundraising events that provide an opportunity for parents, staff and pupils to get together to work towards a common goal. The school will benefit from the additional funds the PTA raise and increase the opportunity for parents to be more involved in school life.

If you have comments about any school matters, either educational or operational, please contact school directly with regards to these via the school office or the class teacher, or by appointment with the Head of Academy.
