Behaviour – Well Done!

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; Be Safe, Be Responsible and Be Respectful. The totals below show how many children have achieved this each week.

This week out of 293 – 290 followed the school rules. Well done!

Thank you to all parents/carers for attending our Achievement assembly to watch their child receive a Golden Award

During Achievement assembly, please make sure that the photo is of your child only and please ensure you only post photos of your child on social media. There are parents who do not want their child photographed or on social media for personal reasons.

Please remember to send your Sainsburys vouchers into school as we are now starting to count them.

Well done to everyone who took part in the skipping competition—we came a fantastic fourth! Thank you for all your hard work and practise.

Y2

'This week, the children in 2B have been exploring fractions. We have been trying to find a half and a quarter of lots of different items, numbers and objects. We then tried to show this in as many different ways as possible.'

FS2

'This week in maths we have been learning about sharing and halving. We learnt that we had to share the objects out equally. We looked at half of a variety of objects and found that 2 halves made a whole.'

Y3/4

This week, Year 3/4 interviewed Mrs Binns about her life as part of our biography unit of writing. Did you know:-

Mrs Binns' favourite teacher at school was Mr Cross?-

Mrs Binns used to work in Sainsbury's?

FS1

This week the children have been baking fairy cakes. After the fairy cakes had cooled the children enjoyed decorating them.

Y1/2

This week some of the children in 1/2TM have enjoyed doing some PSHE work with Mrs Thackery and Mrs Dale. They have been introduced to Ginger Bear and painted some Ginger Bear puppets.

Y5

Y5W have worked extremely hard this week using their inference and drama skills by taking on the roles of Tranio and Livia the main characters from the story Escape from Pompeii. The children have completed freeze frames and hot seating to understand and put themselves in the shoes of the two main characters.

Y3

This week Year 3 have been writing a biography all about Mrs Heeley! We started by writing questions to find out all the important information, and then we interviewed her on Tuesday. Since then we have been working extremely hard to write some amazing biographies and hopefully Mrs Heeley will be really impressed with our efforts!

Y4/5

Year 4/5S have been using a variety of drama techniques to learn about the characters from our historical story, Escape from Pompeii.

Y6P

This week Year 6 have been in problem solving mode - they have been using their mathematical reasoning skills to help them solve a range of cryptic puzzles and challenges. Some really superb team work and logical thinking - well done!

How our behaviour effects others

This week in assembly we discussed how our behaviour can effect others. The story was based around a character who was feeling grumpy and took it out on others. We discussed what we could do to cope if we were feeling unhappy and not let our bad moods effect others.

Y6D

This week in 6D we celebrated earning 10000 class dojos. To celebrate, the children wanted to bring in their pyjamas or onesies and their favourite teddies. We watched Moana and had a few snacks in keeping with a cinema experience. A great afternoon enjoyed by all!
