Behaviour – Well Done!

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; Be Safe, Be Responsible and Be Respectful. The totals below show how many children have achieved this each week.

This week out of 283 – 277 have followed the school rules. Well done!

Thank you to all parents/carers for attending our Achievement assembly to watch their child receive a Golden Award

During Achievement assembly, please make sure that the photo is of your child only and please ensure you only post photos of your child on social media. There are parents who do not want their child photographed or on social media for personal reasons.

Well done to our tennis team who took part in a tennis tournament on Monday. A fantastic effort by all, especially the yr5 team who go through to the next round. Thank you to the parents for their support.

Y2

2B have been helping the Queen find her lost belongings by using their knowledge of directional vocabulary.

Y3

Today 3DB have been doing some collaborative writing to add their own part to the school story for Red Nose Day. We worked together in groups to write some amazing paragraphs about the adventure of Lily, DJ Boogie, and Snuffles!

Y3/4

Y3/4W working on Photostory for Windows, creating a trailer, complete with voiceover!

Y4/5

Class Y4/5S went to the National Coal Museum on Monday. We experienced the conditions of what working down the pits would actually be like and then investigated the technology and history of coal mining in the museums.

Y5

The children have learnt all about mining history and took the trip to the national coal mining museum to learn more about the life of a miner, including children from the age of 4 working down the pit!

Y6D

Year 6 are working hard preparing for their SATs tests by staying behind for booster sessions. Well done to everyone who took part.

FS1

In FS1 we have had many visitors. On Monday we had a police officer come in to talk to the children and on Tuesday we had a paramedic. The Nursery children thought of some fantastic questions to ask our visitors.

FS2

We have been writing number sentences and learning how to solve number problems using a variety of mathematical equipment.

Y1/2

This week in Year 1/2TM, children have been developing both their science and reading comprehension skills by independently following instructions to make a bean house. The children have been observing their beans on a daily basis and writing in their Bean Diaries what they have noticed.

Y6P

This week, the Year 6 pupils in 6P having been working tirelessly on their short stories. They have been drafting and re-drafting to make sure that they are as effective and polished as they can possibly be. Working with their writing partners has really helped them to develop their ideas and improve the content and flow. I can't wait to read the finished pieces! Well done!
