Behaviour – Well Done!

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; Be Safe, Be Responsible and Be Respectful. The totals below show how many children have achieved this each week.

This week out of 283 – 280 have followed the school rules. Well done!

Y2

'We have been amazing Mrs Brown with our incredible calculations skills. We have been using bar models to help solve some tricky missing number problems and finding remainders when dividing.'

FS1

In FS1, children have made their own musical instruments. They thought about the different sounds they wanted their instrument to make. Some children chose soft sounds and some children choose loud sounds. They enjoyed playing their instruments once they were made.

FS2

Our vehicle technicians have been very busy and working hard to fix vehicles and attend breakdowns.

Y3

Year 3 and Year 3/4W experienced what it would be like in a Victorian classroom. Here we are standing to attention.

Y1/2

This week in 1/2TM, the children have been working particularly hard in maths learning about division. They have been learning different methods to help them solve division calculations.

Y3/4

The children find out what its like to do drill every morning.

Y6P

This week, as part of their WW2 topic, the pupils in Year 6 have been learning about The Blitz. As part of this work they have been using charcoal to create silhouette drawings of the London skyline. There are some really effective pieces of art being created as we speak ! Well done!

Y4/5

Last week some KS2 children had a fab day out at Headingley Cricket ground, taking part in a workshop, playing cricket and a tour of the ground.

Y5

This week in Y5W we have been planning and writing our adaptations of Billy Elliot. Working extremely hard to include a range of advance vocabulary, fronted adverbials, subordinating and coordinating conjunctions and lots more. The children have been peer assessing each other work and giving excellent feedback to help improve their stories.

After a busy term Y 4/5S enjoyed their last day enjoying Easter through baking and art. They would also like to say a sad goodbye to Miss Murphy who has been teaching them all term. We will miss you lots and good luck!

Y6D

6D have been researching The Blitz and using the information to prepare presentations using PPT. It has been wonderful to see the range of information and facts being discovered and the way the Year 6's are using their superb writing skills to craft their presentations. Excellent work!
