

Week 2 Newsletter 16/6/17

Behaviour – Well Done!

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; Be Safe, Be Responsible and Be Respectful. The totals below show how many children have achieved this each week.

FS1	FS2	Y1/2	Y2	Y3	Y3/4	Y4/5	Y5	Y6P	Y6D
25/25	34/34	31/32	29/29	31/31	33/33	32/32	32/32	24/24	24/24

Upcoming Key Dates

Wednesday 14th June	Yr 6 meeting at Garforth Academy
Friday 7th July	Sports Day
Friday 7th July	Summer Fair
Thursday 13th July	Yr 6 Liaison Day
Friday 14th July	Year 6 Leaver's party
Monday 17th July	Yr Activity Day at GA
Tuesday 18th July	Yr 6 Activity Day at GA
Wednesday 19th July	Yr 6 Activity Day at GA
Friday 21st July	School closes
Mon 21st—Fri 25th August	Wallop Cricket Summer Week

This weeks Golden Award winners:

- Y1/2 - Harriet & Ethan
- Y2 - Grace & William
- Y3 - Jack & Owen
- Y3/4- Gracie & Josh
- Y4/5- Devon & Amy
- Y5- Reuben & Megan
- Y6D- Isla & Jack
- Y6P- Callum & Cameron

Thank you to all parents/carers for attending our Achievement assembly to watch their child receive a Golden Award

During Achievement assembly, please make sure that the photo is of your child only and please ensure you only post photos of your child on social media. There are parents who do not want their child photographed or on social media for personal reasons.

Well done to our Year 2 football team, who took part in a football tournament at Garforth Academy on Monday. The team played fantastically with excellent skill and teamwork which contributed to East Garforth winning the tournament. A big thank you to all those who were there to support us.

We would like to say THANK YOU and GOOD LUCK to Mr Wheeliker as he leaves us today to move to his new job at Serlby Park. We wish him all the best for his future career in teaching.

Read all about us...

Y6P

This week year 6 have been auditioning for parts in the year 6 production. We have been running lots of rehearsals to get an idea of all of the characters and the plot. There is already some fantastic natural talent and we can't wait to see how the production progresses. The production will take place on Wednesday 12th July at 6pm. Letters to Year 6 parents and carers will follow.

6D

Y5

Y5W have been mathematicians this week, working really hard to answer and convert roman numeral equations. They've had to use their answers to help them solve a code breaker to get the password to go out to play! As well as this they have all shown their ability to translate and reflect a shapes across X and Y axes and use coordinates to precisely move the objects.

Y4-5

Y4/5S have been coding this week. The Year 4s used scratch to programme a character to ask questions about global warming and respond to the answers given. They even taught Mrs Sanders a thing or two!

Y3/4

Year 3/4 have learnt about the Wars of the Roses this week. They composed some amazing pieces of music in response.

This week in assembly we were visited by members of Dayspring Church. They talked about change, especially about how we change as we get older. We learnt about how periods of change can be worrying but there is always someone we can talk to if we are worried. There was the usual fun and games at the end with the famous 'Soccer Special' question game which the children enjoyed and resulted in a draw!

For more information about Dayspring Church please visit: <http://dayspringchurch.co.uk/>

Y2

'In maths this week we have been showing our fantastic reasoning skills when solving multiplication and division problems. We had to show our answers to the questions were right by 'proving', showing', 'explaining' and 'drawing'.

FS2

'We have been learning how to tell the time in FS2 this week. We started by exploring the clock face. We loved playing 'What time is it Mr Wolf?' and took it in turns to be the wolf. We then made our own wolf clocks. We learnt how to tell the time using the clocks and set the time to o'clock.'

Y1-2

'This week year 1/2 have been doing lots of investigating into the different weights of foods! They have worked hard to compare and order amounts'

FS1

This week, as part of our topic on holidays, the children have been thinking about how we travel to a holiday destination. They acted out the story of Sailor Bear and wrote special messages in a bottle. We have also been learning about how to keep

y3

This week Year 3 have been working really hard to explain and reason their answers in Maths! After a couple of really tricky lessons, we got there!
