**Behaviour – Well Done!**

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; Be Safe, Be Responsible and Be Respectful. The totals below show how many children have achieved this each week.

**Y6P**

This week the pupils in Mr Parkinson's class have been continuing with their work around the WW2 novel Goodnight Mr Tom. They have been discussing the themes and events surrounding the evacuations and learning lots about the experiences of children in England during the war.

**Y2** 'This week in maths, we have been creating our own safari animals using only 2D and 3D shapes. We first had to design the animals, then select the correct nets for our chosen 3D shapes. Finally, we could construct our animals!'

**FS1**

This week in Nursery children have been making pictures using 2d shapes.

This week, year 6 have been developing their sketching skills. They have been following some simple tips on how to improve their sketching, including how to show shading. I'm sure you'll agree the teddies look fantastic!

**6D**

**Y1-2**

Following on from their trip to the Yorkshire Wildlife Park, Year 1/2 have been excited to spend time designing and creating their own animal masks

**Y5**

Y5W have been working extremely hard with perimeter and area in Maths and discussion writing on global warming in English. They have also been amazing artists, following instructions and producing phenomenal sketches of watering cans and teddy bears...you wouldn't believe their concentration!

**Y4-5**

Y4/5 have been learning about Roman Numerals and how to write from 1 to 100. Once we did this we then went on to a code cracking number hunt.

**FS2**

'FS2 have been travelling around the world this week departing from the East Garforth Airport. After checking in for their flight, they went through security and had their bags scanned. They sipped coffee in the airport lounge before boarding the plane. The flight crew looked after them throughout their journey despite the turbulence along the way! Finally they reached their destination and posed for holiday snaps!'

**Y3/4**

We have enjoyed improving our throwing, catching and batting this week, ending with a great game of rounders with Y3D-B. We have also been practising our athletics skills - a very sporty week!

## Safeguarding-Health and Safety

During the hot weather, and particularly on Sports Day, please could you ensure children attend school with a hat and water bottle clearly labelled with their name. Sun cream may be sent, also clearly labelled. As we continue to discuss healthy life styles, please could we ask that you include water or cordial rather than fruit shoots, energy or carbonated drinks

**Y3**

This week Year 3 have been reading and performing Michael Rosen poems.
