

Week 6 Newsletter 14/7/17

**Behaviour – Well Done!**

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; Be Safe, Be Responsible and Be Respectful. The totals below show how many children have achieved this each week.

During Achievement assembly, please make sure that the photo is of your child only and please ensure you only post photos of your child on social media. There are parents who do not want their child photographed or on social media for personal reasons.

Please could we ask parents to check their ParentPay accounts as we are nearing the end of the term. If you are unsure of your balance please call the Office. Thank you.

# Read all about us...

Y3-4

On Thursday Year 3 and 3/4 went on a class walk around the local area. We used maps to identify land use around Garforth, looking at farm land and industrial use, as well as discovering more about our local area. We finished the walk with a traffic survey which allowed the children to take part in some data handling and representation activities for Maths. All of 3DB and 3/4W would like to say a huge thank you to all of the staff and parents that came along with us to help!

Y3

Y2

'We have been painting all of the different parts that will make up our safari animals. They are looking super and we are sure they will be very life like when we put them together next week!'

FS2

'FS2 have had a very busy week recalling the events on 'Sports Day'. They shared the highlights of the day with their friend in talk partners. They worked hard to produce a piece of written work for their new teacher next year!'

Y1-2

This week, the children in 1/2TM have joined the rest of the school in designing their own Christmas Poster for the Garforth Christmas Lights switch on. One lucky winner will be chosen to represent school and switch them on personally. Who will it be?

Y6

Y6

Well done to all the Year 6's who have all worked extremely hard to produce an amazing performance of Shakespeare Rocks! There was some amazing singing, dancing and acting!

Y5

This week Y5W have been putting their knowledge of Global Warming to the test, they have taken part in a debate against another class and have been raising awareness through persuasive posters to stop Global Warming.

FS1

Some of the boys in FS1 have enjoyed forming their own rock band! They wrote their own songs: 'we love rock and roll' and 'born wild.' They all had different roles in their band. One was the lead singer, one was the drummer and two were guitarists.

## Reports

You will be receiving your child's report today. If you would like to discuss this further please call the school office to make an appointment with your child's class teacher. We would like to invite you to an informal celebration of your child's achievements on Wednesday 19th July straight after school at 3.15pm. Please come into the your child's classroom from the usual entrance. There will be time to look in your child's book as well as chat with the class teacher.

Y4-5

Year 4/5S have been continuing their work on global warming this week and thinking about developing and making an advertising campaign.
