

Week 3 Newsletter 22/9/17

**Behaviour - Well Done!**

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; Be Safe, Be Responsible and Be Respectful. The totals below show how many children have achieved this each week.

# Read all about us...

## Y6C

6C have been reading Private Peaceful and putting all of our thoughts and ideas of the story onto a story mountain!

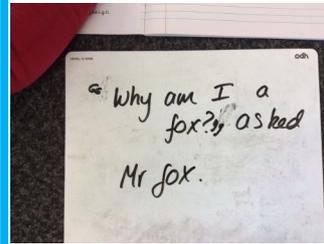

Nursery have been working hard this week and learning how to write their name. We looked at how to write each letter before practising on our name cards.

## FS1

## Y1

This week the children have been continuing to develop their knowledge of Place Value in maths. Activities have included representing quantities of a 2-digit number using various models and images as well as comparing different 2-digit numbers.

Y3 This week in year 3 we have been learning how to use inverted commas in our literacy lessons. We had a go at filling in the missing punctuation then today we tried using them in a big piece of writing. Everybody has done very well!

## Y4-5

## Y5

This week both 4/5W and 5P have been working extremely hard on their rounding skills, thinking about a range of situations where rounding may come in useful in everyday life. As well as this, the children have been using their imagination and creativity to write their own adaptation of the 'Alien Landing' story. Within this writing they have had a focus on building suspense and effective descriptive writing.

## Y1-2

'This week in science he have been investigating what makes a shadow. We have been looking at how to change the shape of a shadow and considering why we don't often see our own shadows at playtime at the moment!'

## Y3-4

This week class 3/4D took part in a very exciting Drama workshop to kickstart their acting skills. As part of this, they talked about what jobs they wanted to do when they were older and how acting was a huge part of all jobs. They enjoyed pretending to see David Beckham and meeting their favourite celebrity. To finish off they all acted out a short play about a fierce lion that was on the loose in Africa! There were many future film stars!

## FS2

This week we have been talking about our families and our birthdays! To help us with our Maths we've been making sure we can find the right number of candles for everyone's birthday!

## Macmillan Coffee Morning

Here at EGPA we are excited to get involved with the worlds biggest coffee morning next Friday 29th September.

We would like to invite children to come into school wearing non-uniform and make donations of cakes or biscuits. The cakes will be sold during playtime for 50p and all donations will go to Macmillan Cancer Support.

We would also like to invite parents/carers to join us for a coffee morning from 9am in the hall, where cakes and drinks will also be on sale.

## Y6W

Year 6W have been reading a short extract from 'Private Peaceful' by Michael Morpurgo. Today we placed key events, emotions and other ideas onto a story mountain. Next week we will create our own similar story, based on these ideas.
