

## **Primary School Sports Grant Impact and Evaluation Report Academic Year 2016/17**

### **Context of Academy**

East Garforth Primary Academy is situated in the suburban district of Garforth. We are one and a half form entry including a nursery.

The school is very fortunate in having good, outside facilities for PE and games and the school also possesses a large playing field, which is used for a range of sports, along with the hall in the Key stage 2 building.

We have very good links with the local high school, Garforth Academy, as well as local primary schools in the area. This year, we continue to have a strong PE co-ordinators network, who meet regularly to organise and develop PE within their own schools and to organise competitions amongst the schools. These close links provide a strong competition structure, which is led by one of the designated PE co-ordinators from each school, using the facilities at the high school. The children are able to take part in a variety of competitions: athletics, tennis, basketball, cross country, curling, football, netball, rounder's, cricket and many more. The top teams from these competitions are able to compete in further rounds, which allows the children to experience competition at a higher level. The competition pathway, allows children to compete with schools from across Leeds and if successful from across West Yorkshire.

PE, sport and physical activity is highly thought of at East Garforth and all staff are keen to provide opportunities for children to experience high quality teaching and learning. Many staff have been involved in developing their knowledge and delivery of PE in a variety of areas using the PSG funding and already the impact across school has been evident. In addition, there are a number of after school clubs run to a high standard to ensure that children have the opportunity to extend their enjoyment for PE, sport and physical activity. Furthermore, we are able to provide the children with the opportunity to experience a variety of sports and activities with outside coaches.

### **Objectives of Primary School Sports Funding**

#### **Our objectives as a school for 2016/17 are:**

1. The engagement of all pupils in regular physical activity- kick starting healthy active lifestyles.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

### Amount of Primary School Sports Grant Received

Primary School Sports Grant Lump Sum	£8,000
Total number of pupils on roll	<b>252</b>
Additional Premium for PSSG ( No on Roll x £5 )	<b>£1,260</b>
<b>Total Primary School Sports Grant</b>	<b>£9,260</b>

### Summary of PSSG Spending

The use of the Sports Coach has enabled staff to teach PE and sport throughout school to a high standard, teachers now feel more skilled in their delivery and are keen for the support to continue.

Children have participated in a wide range of sporting activities both in school and out. These workshops have included Skipping, Dance and Cricket. These have enhanced children's abilities in these areas and also aided in enhancing the curriculum offer across the Core and Foundation subjects.

### Record of PSSG Spending by item / project

Item / Project	Cost	Objective	Outcome
Sports Coaching through Sports Coaching Ltd	£7540	To provide a professional development programme for staff To provide specialist coaching to increase engagement of all pupils	Children have received specialist coaching in a broad range of sports and an impact has been seen in the amount of children wishing to take part in after school clubs and local competitions Staff have increased confidence and skill levels in delivering sport for the future

<b>Total PSSG Received</b>	<b>£9,260</b>
<b>Total PSSG Expenditure</b>	<b>£9,260</b>
<b>PSSG Remaining</b>	<b>£0</b>

### **Other Supporting Evidence of Impact**

#### **Supporting evidence of impact;**

- Pupil voice based on lunch time provision and PE lessons.
- Lesson Observations
- Competition Calendar (progression to further rounds)
- Extra-curricular timetable
- PE Co-ordinators network

### **Implications for PSSG in 2017/18**

- Develop leadership of PE through the use of a Sports consultant to work alongside Teachers and HLTA
- To invest in Active Schools SLA to allow further access to workshops and competitions that will further enhance the curriculum
- Plan further CPD opportunities for PE teaching in 2017/18.
- Continue to build on improving provision of activities during playtimes/lunchtimes
- Continue to follow the competition framework for inter-school sport and give as many pupils the opportunity to compete against other schools.
- Develop further club links.
- To educate our pupils further about healthy lifestyles and nutrition.
