**Behaviour – Well Done!**

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; Be Safe, Be Responsible and Be Respectful. The totals below show how many children have achieved this each week.

Thank you to all parents/carers for attending our Achievement assembly to watch their child receive a Golden Award

During Achievement assembly, please make sure that the photo is of your child only and please ensure you only post photos of your child on social media. There are parents who do not want their child photographed or on social media for personal reasons.

We would like to say a big 'Thank You' to Sarah Haslam and Tesco Garforth, who have kindly agreed to provide us with fruit every Friday free of charge.

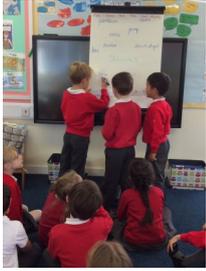

This will be used by the Year 6 children to run their Fruity Friday stall every Friday break-time.

Just a reminder that we are no longer able to accept the old style £1 coin in school.

'This week in maths it has been the children's turn to be the teacher. We worked in small group to teach the class teddy Sunny how to add using a number line. We had to make sure our instructions were very clear so that he could follow them all by himself. He is now a super adder!'

**Y6W**

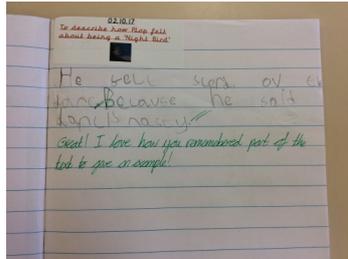

**Y6C**

'6C and 6W have both been learning about how secret codes were used to send messages during WWI and WWII. Mrs Wright and Mr Chalder have also had great fun trying to figure out some of the children's secret messages!'

This Week in 1TM the children have been developing their reading comprehension skills by working as a class to study some extracts from *The Owl Who Was Afraid Of The Dark*.

**Y1**

**Y5**

The children have done some phenomenal work this week in Maths countdown. Their determination has been outstanding. As a reward the children had some fun swapping roles with Miss Wilkinson—they even sent her out of the class for talking!

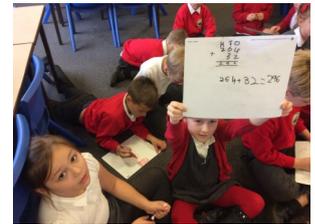

**FS1**

**Y5**

This week Y5 have been looking at newspaper columns and everyone had a go at writing one. We have some fantastic journalists in the making!

**Y3**

We've been learning how to use column addition. We have tried really hard and and gave excellent instructions to our talk partners.

**FS2**

This week in Foundation Stage we have made the most of the blustery weather! We had lots of fun seeing how the wind made things move outside and even had a go at making our own kites to fly in the outdoor area!

## Academy Council

The classes have voted for their Academy Council reps for this year.

**Y1- Sam and Indie**      **Y1/2- Xander and Bethany**

**Y3- Olivia and Samuel**      **Y3/4- Nathan and Tilly**

**Y4/5- Harry and Bethan**      **Y5- Elliot and Gabrielle**

**Y6C- Alfie and Jessica**      **Y6W- Kate and Jacob**

**Y3-4**

Class 3/4D have enjoyed 'hot-seating' this week as part of our English lessons. We have read the beginning of the Chinese traditional tale Lon Po Po and have asked the 'good-mother' some gruelling questions on why she left her three children alone at home, if she knew a wolf lived nearby and if her parenting skills are up to scratch! Class 3/4D have also enjoyed learning how to debate and have debated several questions such as: what age should children be allowed to be left home alone and if children should be allowed to answer the front door.
