Behaviour - Well Done!

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; Be Safe, Be Responsible and Be Respectful. The totals below show how many children have achieved this each week.

Thank you to all parents/carers for attending our Achievement assembly to watch their child receive a Golden Award

During Achievement assembly, please make sure that the photo is of your child only and please ensure you only post photos of your child on social media. There are parents who do not want their child photographed or on social media for personal reasons.

We have a selection of new books in our reception on the book trees for sale.

There is a whole range of books from Nursery to Year 6 starting from £1.

Please come along with your child and have a look at the fantastic books on offer.

Read all about us...

Y1-2

This week we have been learning about the importance of the Green Cross Code when crossing the road. We went out with the Leeds City Council Team to practise crossing the road safely.

Y6W

Y6W have been totally absorbed in our class novel this week. There have been gasps, groans and requests for more time to read this week as some really exciting events have unfolded. The children are learning also how to create in-depth answers to questions about their reading and are doing brilliantly well.

FS1

FS1 have been looking at size this half-term. We have recorded our heights on the height chart and looked at big and small objects. We ordered various objects according to size starting from the biggest to the smallest.

This week we have been working with the team from Leeds City Council to promote road safety.

Y1

The children have been going out in groups to learn how to safely cross the road.

Y5

This week the Y5 pupils took part in their first ever debate competition. They worked extremely well together and showed superb sportsmanship which allowed them to take 2nd place overall!!! Massive congratulations to the EGPA debate team.

Y6C

6C have been analysing different structures and techniques used by poets to create powerful imagery to the reader.

Y4-5

The year 4 pupils this week have not only been working hard in class, but have also completed their first section of their pedestrian training. Sensibly going out onto the roads around school and learning how to be a safe pedestrian.

Y3

This week year 3 had a great time learning about Chinese dance. We learnt lots of different dance movements like the dragon and the crane.

FS2

Reception have been learning all about The Rainbow Fish this week. We had lots of fun acting out the story in front of the whole class! The Rainbow Fish has taught us how important it is to share with our friends.

Y3-4

This week, Class 3/4D have been thinking about Road Safety. In a whole school assembly they learnt the Green Cross Code. The Year 4s had a visit from the Road Safety Team and learnt about what you needed to think about before crossing a road, what you needed to look for and how to walk across a road safely. On Friday, Class 3/4D all learnt how to do special dances inspired from china. We have had a very exciting week!

This week we welcomed pupils and teaching staff from Whetley Primary Academy, Park View Primary Academy and Green Lane Primary Academy to take part in a debate competition with our Year 5 children.

This was the first time that our Year 5 children had taken part in a debate competition and we are very proud to say our children came an amazing 2nd!

Everyone had a fantastic time and we would like to thank the children and staff from the others schools for travelling here to spend the day with us.
