Behaviour – Well Done!

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; Be Safe, Be Responsible and Be Respectful. The totals below show how many children have achieved this each week.

Thank you to all parents/carers for attending our Achievement assembly to watch their child receive a Golden Award

During Achievement assembly, please make sure that the photo is of your child only and please ensure you only post photos of your child on social media. There are parents who do not want their child photographed or on social media for personal reasons.

We are holding an open morning on Tuesday 7th November at 9:15am for parents / carers looking for Reception places in September 18. If you know anyone who may be interested please let them know.

Read all about us...

Y1-2

In 1/2B this week we have been getting into the Halloween spirit with some spooky activities. We have been writing haunting poems, doing nightmarish maths and we have even made some spiders sitting in their webs.

F52

F51

F51 have had a very busy week celebrating Halloween, reading Meg and Mog and learning about Bonfire Night. They also worked very hard planting a new crop of winter vegetables in our veggie patch!

Y6

Y6

Year Six had a fantastic day at Eden Camp on Monday. It was great to experience some of the things we had been learning about and it helped us to understand what it must have felt like for people alive at the time. Thanks Year Six, for being brilliant out and about - you did us proud!

Y5

This week 5P have been learning all about the phases of the Moon. Using models to represent the Sun, Earth and Moon they recreated the Moon's orbit and looked at how the lunar phases work.

Y4-5

This week in Y4/5 the children had an exciting week designing their own planet!

We then designed our own people to live on our planet.

The children used some very imaginative descriptive writing along with their designs.

Y3

Over the half term our book corner was painted with David Walliams characters. We were all really excited to see it! Today we wrote a letter to David to explain what characters we had painted in our book corner and to ask if he would like to come in to our school to see it.

Fingers crossed we get a reply!

Y1

This week we have introduced the children to their topic on space. Here Mr Scarf is explaining how the planet Earth rotates around the sun and how night and day occur.

Now that the weather is turning colder please make sure your child brings indoor and outdoor PE kit each Monday to be kept in school all week. PE kit must be worn for all sporting activities in school including lunchtime clubs and after school clubs.

Indoor: Black PE shorts, White PE Shirt (plain or with academy logo), pumps

Outdoor: Tracksuit top and bottoms (no football strips), trainers (or football boots for football club)

Y3-4

This week Class 3/4D have been learning how to play Dodgeball! They were put into dodge ball teams and competed against each other!

"It was really fun!" Owen

"I enjoyed competing against the other teams!"
