Behaviour – Well Done!

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; Be Safe, Be Responsible and Be Respectful. The totals below show how many children have achieved this each week.

Y1

Today KS1 had an amazing time at Eureka! We learnt all about keeping fit and healthy along with how the body works. We also became bankers, shopkeepers and mechanics in the Eureka Town.

Y3/4

This week Class 3/4D have enjoyed writing their own version of the Viking legend Biorn. They thought about the different sentence openers and words that they could use to create effect.

Y5

On Wednesday morning, Year 5 thoroughly enjoyed debating together. They listened carefully to each other's point of view and used the language of debate really well.

Mrs Robinson leaves us today after working as a Lunchtime Assistant for the last 7 years.

We would like to wish her all the best for the future and hope she enjoys some quality time with her family.

FS1

FS1 have been applying their knowledge of dinosaurs in PE this week. They have been moving around the room stomping their feet and stretching their long necks to reach leaves from the tree.

FS2 This week in foundation stage we have been working really hard to improve our running, throwing and catching! We have practised playing Cat and Mouse and Duck Duck, Goose in the hall as well as having lots of fun throwing and catching with our friends!

Y3

In close reading this week we have reached an exciting part of the story! The main character Lila has climbed Mount Merapi and found the Fire Fiend within. The class researched the real Mount Merapi using non-fiction texts and I-pads. We found out it was an active volcano, and that it was very dangerous!

Y6

Year 6 have been designing a poster to raise awareness of rail safety this week. Some of the children's art work was simply fantastic and hopefully we will have a winner from the competition! Keep up all the good work year 6!

Y4/5

Y4/5W have had an amazing week! Not only have we been working hard on our Maths and English work but we have completed a scientific experiment on forces. All Y5's have got together to debate this week and the Y4's have been working hard to improve their skipping ready for the upcoming competition.
