Behaviour – Well Done!

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; Be Safe, Be Responsible and Be Respectful. The totals below show how many children have achieved this each week.

Read all about us...

FS1

This week in Nursery and Reception we have been reading Goldilocks and the Three Bears! We have looked at the characters and the setting of the story and even visited the woodland area to see if we can find where the three bears cottage is!

Y1

This week the children in KS1 have started work on their new topic of Dinosaurs. This half term they will become palaeontologists to investigate the question, Did dinosaurs really exist? Here are some of the children in 1TM with their own dinosaurs.

FS2

Y1/2

This week we met two incredible super heroes 'Hattie High 5' and 'Fred to the floor 4'. They have been helping us round our numbers to the nearest 10. This will really help us with our estimation work later on. We had great fun pushing our numbers up into the next tens, or throwing

them back down to the tens below.

Y5 5P have been working hard during Word of the Day sessions. In this photograph, we are investigating the verb "slithering" and finding synonyms too.

Y3

This week Y3 have been working hard in maths. We have been learning how to compare and order fractions. The children have been using fraction walls and number lines to achieve this. Most have been working on their reasoning skills by carefully explaining why they ordered their fractions how they did.

Y3/4

Class 3/4D enjoyed setting themselves personal targets in P.E. They then enjoyed trying to beat their targets.

Owen: "I enjoyed testing my limits."

Connor: "I found it fun but very tiring!"

Y4/5

What a busy first week back! We are very excited

to have started our class reading book 'Harry Potter and the philosopher's stone'. As well as this we have been working really hard on our English work, researching and planning our chosen topics for our non-chronological reports.

Y6W

Year 6W have been writing about slavery in ancient Greece. We read our formal explanations aloud to each other, in order to edit and improve. 6W - ALL your writing this week has knocked my socks off!

Next week it is World Book Day on Thursday 1st March. Our Theme will be Harry Potter/Witches and Wizards, however children are welcome to also attend in a costume for any of their favourite books. We have lots of exciting activities planned. The day will start with a whole school assembly to share our favourite stories and continue with lots of fun filled games and activities throughout the day in classes. There is also a special Harry Potter themed lunch!

Y6C

This week 6C have had some extra help from a sports coach to help with some netball. We had lots of fun as you can see!
