Debate and Enterprise

This week The Y5 debate team visited Whetley Academy. We had a fantastic day making lots of new friends and using our debate language.

We have also enjoyed Enterprise Day, with children investing a donation from the PTA. We saw some great ideas from Seed Planting kits, to balloon crafting and hot chocolate making.

The children used a variety of skills such as advertising and marketing, profit and loss and invention. Thank you all for supporting this event.

We would like to wish you all a very Happy Easter.

We have been extremely busy in Foundation Stage this week preparing for Enterprise Day. Everyone has been working hard to make playdough in lots of different colours. It was great fun measuring, pouring, mixing and finally squashing the ingredients to turn it into dough. We also took part in a Dinosaur Workshop where we learnt lots more interesting facts about different species of dinosaurs.

The children have enjoyed a fantastic dinosaur workshop this morning where they uncovered and identified a range of dinosaur fossils. We were all very impressed with the vocabulary the children were using and were amazed with how engaged they were with their activities. Thank you to all parents for contributing and allowing the children to take part in this thoroughly enjoyable morning.

Enterprise Day was a brilliant experience for the budding business people of Year 5. We chose a product to make, created a prototype, made our product, designed adverts and sold our product. We even managed to make a profit! It was a great success. Photograph taken by Josias and Jonathan
