Behaviour - Well Done!

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; Be Safe, Be Responsible and Be Respectful.

The totals below show how many children have achieved this each week.

Thank you to all parents/carers for attending our Achievement assembly to watch their child receive a Golden Award

During Achievement assembly, please make sure that the photo is of your child only and please ensure you only post photos of your child on social media. There are parents who do not want their child photographed or on social media for personal reasons.

Two teams from 3/4 took part in a football tournament at Garforth Academy on Monday. Both teams played skilful football and made EGPA proud with their fantastic teamwork. One team made it all the way to the final to win the whole tournament. Well done to our amazing footballers.

We would also like to thank all parents and grandparents for their continued support at all our sporting events.

Read all about us...

Y1/2 Today we thought about the upcoming royal wedding and the significance it holds for our country before making cards for the bride and groom to be. We then talked about different wedding traditions before re-enacting our very own royal wedding.

Y1

This week the children in Year 1 have been completing some tricky maths work involving the equals sign. Here are the children investigating equivalent addition and subtraction calculations.

Y3/4

This week the children completed their reports on the rain forest. They were all excited about our visit to Chester Zoo today to learn even more about the rain forest.

We hope they have lots to talk about with you tonight when they get home.

Y3

This week year 3 have been writing reports about the rain forest. We started by writing one together about Ocelots then the class did their own research on their own chosen topic. There are some fantastic reports and the class are looking forward to sharing them with the school and their parents in our rain forest assembly.

SATs Week

Well done to all our Year 6 children who have completed their SATs this week. It has been a year of hard work, determination and resilience to get to this point and we are so proud of each and every one of them. The Year 2 children have also been completing a few tests this month as part of normal classroom practise, well done to them.

All the results will be reported to parents at the end of the school year.

FS1 We have had a wonderful week in Nursery as we were gripped by 'Royal Wedding' fever. We learnt all about the upcoming nuptials and everybody was keen to take on the role of Prince Harry or Meghan and get married. We also had a visit from our PTA, as they came to help us dig up the spring onions and plant a new selection of vegetables. We washed the onions before chopping them up and tasting them. Most of us really liked them.

FS2

This week in FS2 we have been learning all about weddings! We have looked at lots of different kinds of weddings, learned about the different jobs people do during the ceremony and even thrown our own royal wedding party!

Y5

Y4/5

Royal Wedding fever has reached 4/5W and 5P! After writing a very detailed persuasive letter to Mrs Binns, we were granted permission to celebrate the Royal Wedding of Prince Harry and Meghan Markle. Our special day has included taking part in a Wedding Breakfast, practising using Standard English and learning about the Royal Family's Family Tree. It has been a great day!

Y6

This week 6C and 6W have been sitting their SATs. Each afternoon we have been letting off some steam by completing 1km a day. The children have really pushed themselves during this time, with some completing up to 7km! Well done year 6 - we are all proud of you.
