Behaviour - Well Done!

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; Be Safe, Be Responsible and Be Respectful.

The totals below show how many children have achieved this each week.

Dinner Money

Please could we ask parents to check their ParentPay lunch accounts. We have a number of lunch arrears and would appreciate these balances being cleared over the half term. If you are unable to access your account, or are unsure if you are in arrears, please contact the Office and we will be able to check this for you.

Thank you.

'FS1 have enjoyed reading 'Oliver's Vegetables' this week. We found out that Oliver only liked to eat chips, but really liked vegetables when he tried them. We talked about the importance of eating a healthy balanced diet. The children worked hard sorting the food items into two categories. After much discussion, they decided that it was ok to eat unhealthy food as a special treat!'

Y1

This week the children in Year 1 joined Year 1/2 in a school trip to Abbey House Museum. The children had a brilliant time exploring the old Victorian street along with learning about lots of new and old toys in the museum led Toy Workshop. It was a fantastic day which I know really enhanced the children's topic work.

FS2

This week in FS2 we have been doing some amazing independent writing! From our own story books that we typed covers for to planning our very own booby traps! We really are wonderful writers!

Y3

Y3/4

This week children have written fabulous recounts about their visit to Chester Zoo. They had an amazing time and saw lots of different animals! Here is what some children said:

Jack- "It was amazing to see so many animals I've never seen before!"

Libby - "It was really fun and we got to see animals that we would find in the Amazon Rainforest!"

Harriet- "I couldn't believe that there were over 30 species of birds in the Tropical Realm!"

Y4/5

This week 4/5W have been working extremely hard on their writing! Every member of the class has been focused on editing and improving their work to make it the best that it can be!! We have all been enjoying our new and improved reading corner and taking some time to relax and enjoy our favourite books!

This week 6C have been 'busting some moves' with a street dance coach. All of the children had a great time and had lots of fun!

Y5

Year 5 have been developing their writing skills this week and they have revised, edited and published their stories. We have really focused on improving sentence structure and creating suspense and tension in our writing. The final pieces have been absolutely amazing. Well done, everybody!!

Year 5 After the half term break we welcome back Mr. Parkinson into Year 5. We would like to thank Miss. Waddington for all her hard work and commitment to the school and wish her well in her new position at Park View Primary Academy.

Miss. Dawson will also be returning and will be working alongside the Year 5 teachers.

We hope all our families enjoy their half term break and see you all on Monday 4th June.

Well done to our 5/6 children who took part in a kwik cricket tournament at Garforth Academy on Monday. It was a gorgeous day for an afternoon of cricket and the children were on top form with their cricketing skills. The team came a fantastic third in the group stages but unfortunately did not progress any further. The children's team work and determination was a true credit to the school.

Our Rugby team took part in the East Leeds Tag-Rugby Final earlier this week at John Charles Centre. The rugby skills on show from all teams were excellent and it was clear to see the progress that our children have made in their game play and tactical under-standing as the games progressed. In the group stages the team came third just narrowly missing out on the quarter finals.
